

# ROBERT J. MILLER, M.A., D.D.S., F.A.C.D

Curriculum Vitae

## EDUCATION

- 1981-82 FLUSHING HOSPITAL AND MEDICAL CENTER  
General Practice Residency
- 1981 NEW YORK UNIVERSITY, D.D.S.
- 1978 HOFSTRA UNIVERSITY, M.A., Biology
- 1973 NEW YORK UNIVERSITY, B.A., Biology

## PRACTICE

## WEBSITE

[www.implantguide.com](http://www.implantguide.com), email: [info@robertmillerdds.com](mailto:info@robertmillerdds.com)

## LICENSURE

New York (Northeast Regional Boards)  
Florida  
Colorado

## AFFILIATIONS

Fellow American College of Dentists (FACD)  
Atlantic Coast Dental Research Clinic  
Chairman Department of Oral Implantology  
Visiting Professor, Department of Oral and Maxillofacial Surgery  
Charite Hospital, Berlin, Germany 2004-05  
Canadian Academy of Restorative Dentistry and Prosthodontics  
AMED Board of Directors  
American Board of Oral Implantology  
Diplomate  
ABOI Board Examiner  
International Congress of Oral Implantology  
Fellow and Diplomate

Academy of Osseointegration  
Fellow and Diplomate  
Chairman Clinical Innovations Committee 2008–2023  
Member Academy Newsletter Committee 2024  
Implant Prosthetic Section ICOI  
American Academy of Implant Dentistry  
Fellow and Honored Fellow  
International Dentist of the Year Award 2021  
AAID Maxicourse Director Cairo, Egypt  
Pierre Fauchard Fellow  
Mastership and Clinical Instructor World Clinical Laser Institute  
Academy of Laser Dentistry  
American Dental Association  
Florida Dental Association Life Member  
Atlantic Coast District Dental Association  
President, 1998–1999  
South Palm Beach County Dental Association  
President, 1990–1991  
Board of Directors Intra-Lock International 2000–05  
Board of Directors Ditron USA 2023–Present

#### RESEARCH

Atlantic Coast Dental Research Clinic  
Chairman of the Department of Oral Implantology, 1998–  
Present  
Palm Beach Implant Study Group (ICOI)  
President, 1992–1994  
Editorial Review Board Journal of Oral Implantology  
Editorial Review Board International Journal of Medical Robotics  
and Computer Assisted Surgery  
Editorial Review Board International Journal of Dentistry  
Editorial Review Board Journal of Laser Assisted Dentistry  
Editor Clinical Roundtable POSEIDO

#### AWARDS

Leaders in Continuing Education – 2011–2017  
The Legends of Implant Dentistry  
Listed 2010, Page 226  
FDA Honorable Fellow Award 2009  
Clinician of the Year 2007 – World Congress of Minimally Invasive  
Dentistry  
American Dental Association  
Golden Apple Award, Project: Dentists Care, 1993  
International College of Dentists Award 1981

PRESENTATIONS: "One-Step Alveolar Ridge Preservation Without the Need for a Membrane& Enhancing the Implant Site with PRF"

AAID

November 15, 2024

Atlanta, GA

"Achieving Synergy in Surgery: From One-Step Ridge Preservation to Onlay Grafting and Enhancing the Implant Site"

South Florida Dental Meeting

November 9, 2024

Dania, FL

"Regeneration Update: New Strategies for Grafting Using Composite Grafts, Biologically Active Membranes, and Digitally Designed 3D Milled Bone Blocks"

Total Core Academy

October 4, 2024

Dubai, UAE

"Achieving Synergy in Surgery: From One-Step Ridge Preservation to Onlay Grafting and Enhancing the Implant Site"

ICOI

September 26, 2024

Orlando, FL

"Alveolar Ridge Augmentation Using Customized 3D Bone"

Urmia Dental Association

August 8, 2024

Urmia, Iran

"The Role of Growth Factors in Wound Healing: A Decision Tree for Selecting the Appropriate Modality"

Prosource Dental

June 27, 2024

Webinar

“Achieving Synergy in Surgery: From One-Step Ridge Preservation  
to Onlay Grafting and Enhancing the Implant Site”

FDC

June 22, 2024

Orlando, FL

“Enhancing Clinical Outcomes with Biologically-Driven Concepts”

GDIA

June 14-15, 2024

Ridgefield, NJ

“Alveolar Ridge Augmentation Using Customized 3D Bone”

ISCID

November 14, 2008  
Freeport, ME

“Ridge Augmentation Procedures”  
Atlantic Coast Dental Research Clinic  
November 13, 2008  
Palm Beach, FL

“Lasers in Oral Implantology”  
World Clinical Laser Institute  
November 1, 2008  
Canary Islands, Spain

“Implant Surgery”  
Atlantic Coast Dental Research Clinic

October 30, 2008  
Palm Beach, FL

“The Ossean® Surface – Re-Engineering the Bone Response”

Thai Association of Dental Implantology

October 21, 2008

Bangkok, Thailand

“Lasers in Oral Surgery”

12<sup>th</sup> Asian Pacific Association for Lasers in Medicine and  
Surgery

October 19, 2008

Seoul, Korea

“Oral Implantology: Yesterday, Today, and Tomorrow”

Canadian Academy of Restorative Dentistry and  
Prosthodontics” – Keynote Speaker

September 12, 2008

Vancouver, British Columbia

“Introduction to Lasers in Dentistry”

University of Marmara

August 21, 2008

Istanbul, Turkey

“Minimally Invasive Procedures in Surgery and Oral Implantology”

World Congress of Minimally Invasive Dentistry

August 14–16, 2008

Chicago, IL

“The Ossean Surface – Re-Engineering the Bone Response”

Intra-Lock International Seminar

August 8, 2008

Deerfield Beach, FL

“Occlusion in Oral Implantology and Peri-Implant Considerations”

Implant Educators

August 3, 2008

Fort Lauderdale, FL

“Rescuing Failing Implants with Laser Technology”

American Academy of Implant Dentistry

June 19–21, 2008  
Atlanta, GA

“Understanding the Catabolic Phase of Bone and Its’ Implication in Immediate Loading”

Biotechnology 2008  
May 2–3, 2008  
Miami, FL

“Implant Systems Review”

Atlantic Coast Dental Research Clinic  
April 17, 2008  
Palm Beach, FL

“Computer Aided Navigation in the Mandibular Symphysis–Critical Surgical Anatomy”

Computer Aided Implantology Academy  
March 28–29, 2008  
Florence, Italy

“New Surgical Techniques in Oral Implantology”

Curasan Seminar  
March 21, 2008  
Fort Washington, PA

“Laboratory Techniques in Oral Implantology”

Atlantic Coast Dental Research Clinic  
March 20, 2008  
Palm Beach, FL

“Peri–Implant Considerations”

Atlantic Coast Dental Research Clinic  
February 14, 2008  
Palm Beach, FL

“The Biologic Basis for Lasers in Surgery”

World Clinical Laser Institute  
January 25, 2008  
San Diego, CA

“Prosthetic Options in Oral Implantology”

Atlantic Coast Dental Research Clinic

January 17, 2008  
Palm Beach, FL

“Surgical Operating Microscopes in Dentistry”  
Pankey Institute Directors  
December 17, 2007  
Delray Beach, FL

“Introduction to Dental Lasers”

Biolase University  
September 3, 2007  
Auckland, New Zealand

‘Use of the Diode and Erbium,Chromium Lasers in Dentistry’  
New Zealand Institute for Minimal Intervention Dentistry  
September 1, 2007  
Queenstown, New Zealand

“Minimally Invasive Techniques in Oral Implantology”  
World Congress for Minimally Invasive Dentistry  
August 18, 2007  
San Diego, CA

“Aesthetic Laser Oral Surgery”  
World Clinical Laser Institute  
August 4, 2007  
Atlanta, GA

“Complex Cases/Hospital Dentistry in Oral Implantology”  
Atlantic Coast Dental Research Clinic  
April 12, 2007  
Palm Beach, FL

“Esthetic Laser Surgery in Oral Implantology”  
World Clinical Laser Institute

March 15–17, 2007  
Huntington Beach, CA

“Masters Laser Conference”  
February 23–24, 2007  
Delray Beach, FL

“Aesthetic Laser Surgery in Oral Implantology and Periodontics”  
Global Institute for Dental Education (GIDE)  
January 19–20, 2007  
Amsterdam, Holland

AAID Global Maxicourse  
Module 5  
December 1–10, 2006  
New Dehli and Chennai, India

“New Laser Technology in Implant Treatment”  
Keynote Address  
Japanese Society for Oral Implantology  
November 26, 2006  
Nagoya, Japan

“Laser Dentistry and Advanced Techniques for Implants”  
Nordic Society of Oral Laser Applications  
November 11, 2006  
Copenhagen, Denmark

“Aesthetic Laser Surgery in Oral Implantology”  
World Clinical Laser Institute  
October 27–30, 2006  
Vienna, Austria

Masters Laser Conference  
Biolase University  
October 20–21, 2006  
Delray Beach, FL

“Advanced Techniques for Esthetic Laser Oral Surgery”  
European Society of Esthetic Dentistry  
September 29, 2006  
Copenhagen, Denmark

“Using the Er,Cr:YSGG Laser to Enhance Aesthetics and Implant Treatment”

Hellenic Society of Oral Laser Applications  
September 22, 2006  
Rhodes, Greece

“Introduction to Lasers in Dental Practice”

Biolase University  
September 12, 2006  
Boca Raton, FL

“New Technology in Dental Practice”

Keynote Address  
World Clinical Laser Institute  
August 11, 2006  
Boca Raton, FL

“Digital Volumetric Tomography and CAD/CAM Bone Milling”

Linkow International Institute  
XXXIII Corso di Odontostomatologia ed Implantologia  
June 17, 2006  
Capri, Italy

“New Technology for the Implant Practice”

St. Baranabus 9<sup>th</sup> Annual Implant Symposium  
New York Botanical Gardens  
June 14, 2006  
Bronx, NY

“Surgical Navigation in Oral Implantology”

New York University, Department of Implant Dentistry  
June 13, 2006  
New York, NY

“Lasers in Oral Implantology, Periodontics, and Oral Surgery”

ISLD 10<sup>th</sup> Annual Meeting  
May 18–20, 2006  
Berlin, Germany

“Digital Volumetric Tomography, Surgical Navigation, and Lasers  
in Oral Implantology”

AAID Global Maxicourse

May 5, 2006

Irbid, Jordan

“Masters Laser Conference”

Biolase University

April 28–29, 2006

Delray Beach, FL

“Technology for the 21<sup>st</sup> Century Practice”

Palm Beach County Dental Hygiene Society

April 22, 2006

West Palm Beach, FL

“Laboratory Procedures in Oral Implantology”

Atlantic Coast Dental Research Clinic

April 20, 2006

Palm Beach, FL

“Digital Volumetric Tomography and Bone Milling”

Academy of Osseointegration

March 17, 2006

Seattle, WA

“Lasers in Oral Implantology”

World Clinical Laser Institute Super Symposium

March 3, 2006

Huntington Beach, CA

“Peri-Implant Considerations”

Atlantic Coast Dental Research Clinic

February 9, 2006

Palm Beach, FL

“Surgical Considerations and Classifications”

Atlantic Coast Dental Research Clinic

January 12, 2006

Palm Beach, FL

“Lasers in Oral Implantology”  
Miami Masters 2005 Conference  
December 8–10, 2005  
Miami, FL

AAID Global Maxicourse India  
Module VI  
December 6–8, 2005  
Chennai, India

“Introduction to Oral Implantology”  
Atlantic Coast Dental Research Clinic  
November 17, 2005  
Palm Beach, FL

“Advanced Procedures in Osseous and Implant Laser Procedures”  
World Clinical Laser Institute  
November 11–13, 2005  
Istanbul, Turkey

“Digital Volumetric Tomography and Surgical Navigation”  
World Congress of Minimally Invasive Dentistry  
August 17–20, 2005  
San Diego, CA

ADDENDUM

New York University College of Dentistry

President of Student Body, Senior year

President of Class, Freshman through Junior years

College of Dentistry Representative to First District Dental

Society, Dental society of the State of New York, and

American Dental Association Board of Governors

Externship in Special Patient Care outreach program

Dental Health Organization participant

Chosen for Senior Electives in Orthodontics and Special Patient

Care

Staff of College of Dentistry Newspaper, "The Explorer"

Student/Faculty Policy Planning committee, Member

University Committee on Student Life, Member

Ad Hoc Committee for Course Evaluations, Member

Family practice Program Committee, Member
